Welcome to labsummit® 2024!

Dear Partner

labsummit® is an international event that will take place from **May 16th to 18th 2024**, at the **Convento São Francisco**, in the city of **Coimbra, Portugal**.

Its purpose is to bring together professionals from the laboratory industry, scientists, technicians, quality managers, directors, managers, administrators, students, and all interested individuals to discuss the latest trends, technologies, and challenges in the present and future of the laboratory field.

labsummit® will be hosted by the Consortium **Ambidata® Group – RELACRE – ISQ**, founding members!
